

ADVENTURES of GOD

So what movie are we watching tonight, Gabe?

Desert!

It's a dystopian sci-fi film in which the Earth is unlivable due to the effects of climate change and the rich leave the planet aboard spaceships, while the poor st-

Alright, alright. Easy on the spoilers, just play the movie.

You're in for a treat!

It's too late! The
world is on fire

Maybe we have more time!

DAMMIT LINDA! DON'T
YOU SEE THAT

- climate change -

HAS BEEN HAPPENING THE
ENTIRE TIME! IT'S TOO LATE!

What will we do? Only
the rich can leave Earth!

They may have riches, but
they don't have our love!

Oh Brad!

Excuse me, ma'am. Rich McPoshington would like you to accompany him on his spacecraft

I'm sorry Brad.
You were nice.

LINDA!!!!

Is that what you meant by 'the meek will inherit the Earth'?
